Hi Heather – We had recently caught an error in the invoice template on the total contracted allocation line, which affected the monthly award amount. I had sent Andrea a revised template, which is what you're seeing now. The \$26,513 number is the correct one.

Hi,

I have completed the May invoice, and you are correct, it was simple. However, our invoice template does not allow me to change our monthly award amount which looks to be a bit higher than our previously submitted invoices. The template indicates \$26,513.08 as the monthly award, but we seem to be using \$26,509.08 in previous submissions. If there is a password you can provide, I can change the number to the lower amount. Let me know....

And, by the way, I'll be handling these submissions from this point forward and so will be signing the invoices.

Thank you,

-Heather

Yes, you can still turn in your invoice. Please let me know if you have any questions, although the invoice process this month should be fairly simple.

Hi,

I am so sorry that we do not have our report in today. Andrea has left The Haven of Grace. Would it be possible to get a small extension on today's deadline?

We are confident that we can get up to speed quickly as there are others here in the office that are involved, but I don't know yet who will be the contact person.

Thanks for your patience,

Hi Andrea,

Were you planning to submit an A2A invoice for May? They are due by the 15th of the month, and I'm not seeing one that you have sent so far. I just want to make sure I'm not overlooking it in my inbox.

Thanks,
